- All worship should be Christian based with God at the centre. If the focus is another religion, the assembly must include a link with Gospel message and a Christian prayer.
- Class Worship should include a relevant passage/reference from scripture – *if children are preparing – please check that their choice is appropriate and offer guidance.*
- Please say *The School Prayer* regularly in class so that children become familiar with the words. *Please teach the MODERN VERSION of THE LORD's PRAYER.*
- Class Worship may be two classes together - but it must happen. The school should be quiet when worshipping. **All staff should be in class worship and whole school assemblies unless delivering interventions.**
- ***On a Thursday class worship, please recap Monday's worship and complete your class collective worship journal, with the 'Reflection question of the week.'***
- ***Class Worship should follow the theme of the week. It does need some preparation. Please try to focus on quiet reflection rather than a Q/A session. Worship is not RE. Everyone should have a planning format and a folder. Just a few notes will suffice but it does have to be evidenced. Please note that the times above are the START TIMES and children should be seated by then.***

Lord's Prayer (Modern)

(New English Version - adopted by the Church of England in 1977)

Our Father in heaven,
hallowed be your name.
Your Kingdom come,
your will be done,
on earth as in heaven
Give us today our daily bread.
Forgive us our sins,
as we forgive those who sin against us.
Lead us not into temptation,
but deliver us from evil.
For the kingdom,
the power and the glory are yours.
Now and for ever.
Amen.
