Fri 22 Dec	END OF TERM				

NB: As always, changes may occasionally need to be made at short notice.

- All worship should be Christian based with God at the centre. If the focus is another religion, the assembly must include a link with Gospel message and a Christian prayer.
- Class Worship should include a relevant passage/reference from scripture – *if children are preparing – please check that their choice is appropriate and offer guidance.*
- Please say *The School Prayer* regularly in class so that children become familiar with the words. *Please teach the MODERN VERSION of THE LORD's PRAYER.*
- Class Worship may be two classes together - but it must happen. The school should be quiet when worshipping. **All staff should be in class worship and whole school assemblies unless delivering interventions.**
- ***Class Worship should follow the theme of the week. It does need some preparation. Please try to focus on quiet reflection rather than a Q/A session. Worship is not RE. Everyone should have a planning format and a folder. Just a few notes will suffice but it does have to be evidenced.***

Please note that the times above are the START TIMES and children should be seated by then. If someone has prepared 15 minutes and classes arrive late to the hall, then the whole school loses break time. This is especially important on Fridays when there are families waiting for assembly to begin at 9:05am.
