

This week in the Hedgehogs we have been learning about Australia. We started the week with Ms Allister and Mrs Stanley sharing their experiences of living in Australia and enjoying stories from Australia. We then thought about the history and explorations by Captain Cook, Mathew Flinders and the Aboriginal explorer Bungaree. We also made famous landmarks including Sydney Opera House, Sydney Harbour Bridge and Uluru before making some traditional aboriginal style art, flags, fairy bread, Anzac biscuits and even tried to play a digeridoo. It's been a very busy week!
