**Urgent and important: Help us to keep everyone safe while dropping off and picking up**

Please remember to be mindful of road safety, the neighbours and other road users as you drop the children off at school or pick them up. Please use the Memorial Hall or The Bell carpark rather than causing an obstruction by parking on the road where you also endanger the children and other pedestrians.

From the school newsletter: Friday 30th September

The Memorial Hall and The Bell very generously allow the school to use their carparks during drop off and pick up. Please respect this generosity and be considerate to other drivers and ensure that you park considerately - between the lines, not straddling. Thank you.
