Welcome Words

We have gathered in the name of
God the Father, Son and Holy Spirit,

to worship together and to think about the importance of
road safety and how we can take some responsibility for
our own safety.

Our words of wisdom from the Bible today are:

Road Safety

Understanding How to Stay Safe
on the Roads

Why is Road Safety Important?

Staying Safe Every Day

Road safety is about protecting ourselves and others when using roads, whether walking, cycling, or in a car.

Every year, thousands of accidents happen on roads. By learning road safety rules, we can help prevent these accidents and stay safe.

Key Road Safety Rules

For Pedestrians

- Always use a zebra crossing or traffic lights to cross the road.
- Look both ways before crossing.
- Never run across roads.
- Stay on the pavement, away from the edge.

For Cyclists

- Always wear a helmet.
- Use hand signals to show where you're going.
- Stay in the cycle lane if there is one.
- Make sure your bike has working lights and reflectors.

Be Visible, Be Safe

Why Visibility Matters

Wearing bright or reflective clothing helps drivers see you, especially at night or in bad weather. Always carry a torch or wear reflective bands when walking in the dark.

I'll now lead a prayer, if you would like to make it yours join in with the Amen at the end.

Dear God,

Thank you for protecting us and our families on our way to school and work.

Help us to be aware of our surroundings especially when travelling.

Keep us safe from all dangers on the road, and guide us safely back home.

Amen

Let's Get Streetwise

Verse 1

Let's go!

It's great to be outside,
Playing in the open air.
But while you're having fun
Always be aware.
Busy roads are not the place
To hang out with a friend,
It only takes one motor car
To bring your day to a sticky end!

Chorus

*So let's all get streetwise,
Let's all live long and healthy lives!
Let's shout it, sing about it,
Everybody....LET'S GET STREETWISE!*

Verse 2 Keep looking right then left
Crossing from A to B,
And keep your ears pricked
For things you cannot see.
Never cross between parked cars
And never on a bend,
It only takes one careless step
To bring your day to a sticky end!

Chorus *So let's all get streetwise,
Let's all live long and healthy lives!
Let's shout it, sing about it,
Everybody....LET'S GET STREETWISE!*

Verse 3 And when you're on your bike,
Maybe it's for the best
You stay 'off-road' until
You've passed your cycle test.
Keep your helmet on your head
That's what we recommend.
It only takes one little bump
To bring your day to a sticky end!

Chorus *So let's all get streetwise,
Let's all live long and healthy lives!
Let's shout it, sing about it,
Everybody....LET'S GET STREETWISE!*
