

Acceptable User Agreement for Shottery St Andrew's CofE Primary School

This is how we stay safe when we use the internet and other personal electronic devices, when at school and outside of school:

- I know that my child will receive digital (online) safety education to help them understand the importance of safe use of technology and the internet, both in and out of school.
- I am aware that any internet and computer use using school equipment is monitored for safety and security reasons and to safeguard both my child and the school's systems. This monitoring will take place in accordance with data protection and human rights legislation.
- I understand that the school will take all reasonable precautions to ensure that pupils cannot access inappropriate materials but I appreciate that this is a difficult task.
- I understand that the school cannot be held responsible for the content of materials accessed through the Internet and the school is not liable for any damages arising from use of the Internet facilities.
- I understand that if the school has any concerns about my child's safety online, either at school or at home, then I will be contacted.
- I understand that if my child does not abide by the school Acceptable Use Policy then sanctions will be applied in line with the school's behaviour and anti-bullying policy.
- If the school believes that my child has committed a criminal offence then the Police will be contacted.
- I, together with my child, will support the school's approach to digital safety and will not deliberately upload or add any images, video, sounds or text that could upset, threaten the safety of or offend any member of the school community.
- I know that I can speak to my child's teacher or the Head Teacher if I have any concerns about digital safety.
- I will visit <https://www.shotterystandrewsprimary.org.uk/> for more information about the school's approach to digital safety as well as to

access useful links to support both myself and my child in keeping safe online at home.

- I will visit www.thinkuknow.co.uk/parents, www.nspcc.org.uk/online-safety, www.internetmatters.org

www.saferinternet.org.uk and www.childnet.com for more information about keeping my child(ren) safe online.

I will support the school and my child by sharing responsibility and role modelling safe and positive online behaviour for my child and by discussing online safety with them when they access technology at home.

- I will ask an adult if I want to use the computer.
- I will only use activities that an adult has told or allowed me to use.
 - I will take care of any electronic devices that I use.
- I will ask for help from an adult if I am not sure what to do or think I may have done something wrong.
 - I will tell an adult if something upsets me or is inappropriate.
- I must check the age that I have to be before I use websites, apps, software, DVD's and games.
- I will never send offensive messages when using electronic devices.
- I will not access other people's information when using electronic devices.
- I know that if I do not follow these rules I might not be able to use electronic devices in the future.
