The safety of pupils, staff members and visitors on the premises is paramount and Shottery St Andrew's CofE Primary School takes their duty to protect the wellbeing and welfare of these people very seriously.

The main priority is to prevent an emergency from occurring in the setting; however, this is sometimes, unfortunately, out of the hands of the school. In an emergency, staff members will endeavour to take all reasonable actions in order to ensure the safety of pupils.

Shottery St Andrew's CofE Primary School is committed to meeting its duties under the Terrorism (Protection of Premises) Bill (Martyn's Law), which seeks to improve the preparedness and protection of publicly accessible premises from terrorist attacks. As a school, we understand our responsibilities under the 'Standard Tier' of the legislation, and we will take proportionate steps to assess the risks of a terrorist act occurring on site and implement reasonably practicable measures to reduce these risks.

The school's procedures for evacuation, invacuation and lockdown form a key part of our protective security approach. Regular training, drills and updates will be carried out in line with national guidance, and staff will be equipped with the knowledge to respond appropriately and proportionately to a terrorist threat or incident.

## 2. Definitions

2.1. An 'evacuation' is the orderly removal of pupils, staff members and visitors from the school building; this can be as a result of a fire or other incident within the building.

2.2. The term 'invacuation' refers to the process of making staff members aware of an emergency and moving pupils, staff members and visitors to the most sheltered areas within the building. This procedure is employed if moving outside would increase the risk of harm to people, e.g. toxic fumes in the air.

2.3. 'Lockdown' refers to the procedure of locking external doors and windows before taking immediate shelter in a secure location. This procedure is typically invoked as a response to a security threat.

## 3. Roles and Responsibilities

3.1. Staff members will act in accordance with the school's Invacuation, Lockdown and Evacuation Policy at all times.

3.2. It is the headteacher's responsibility to ensure effective and rehearsed emergency procedures are in place at school.

3.3. The headteacher is responsible for ensuring that all staff members are aware of the policy and have a copy to access.

3.4. It is the responsibility of the headteacher to ensure that new staff members are trained in implementing all of the emergency procedures.

3.5. The headteacher is responsible for recording all evacuation procedures, including drills and practices. These are recorded by the office manager and are kept on the shared area.

3.6. The headteacher/ senior leaders are responsible for ensuring procedures are understood by all staff members.

3.7. The headteacher is responsible for raising the alarm of an emergency, and will delegate this duty to a designated member of staff to carry out when they are not present at the school.

3.8. The responsibility of informing the relevant external services, such as the police, in the event of an emergency is delegated to the School Business Manager/senior leaders/Wrap-around staff.

3.9. All staff members are responsible for ensuring pupils, fellow staff members and visitors remain as safe as possible whilst on the school premises.

3.10. It is the responsibility of all staff members to ensure that registers are accurately taken and the names of missing pupils are immediately reported to the headteacher or office staff.

3.11. All staff members are responsible for maintaining an orderly manner and encouraging pupils to stay calm during emergency procedures.

3.12. The School Business Manager/caretaker is responsible for ensuring that emergency exits are clearly signposted.

3.13. It is the responsibility of school office staff to provide the emergency services with copies of the site plan.

3.14. The School Business Manager is responsible for ensuring that all contractors or external services working within the school are supplied with a copy of the evacuation procedure when their work initially commences.

3.15. The headteacher/School Business Manager will continuously monitor the situation and keep both the emergency services and fellow colleagues up-to-date.

3.16. In line with Martyn's Law, the headteacher will ensure that the school undertakes a regular terrorism risk assessment and implements proportionate measures to reduce the likelihood or impact of a terrorist incident. This includes ensuring staff are trained in response protocols and that all relevant documentation is kept up to date.

#### **4. Invacuation procedure**

4.1. The aim of the invacuation procedure is to protect lives by keeping people inside away from perceived danger. This procedure will be used in the event of armed intrusion, chemical spillages and air pollution.

4.2. **The warning system will be a continuous sounding of the air siren.** This signal informs colleagues to prepare for an internal invacuation. The headteacher/senior leaders will then further instruct staff if a lockdown is necessary.

4.3. The headteacher/School Business Manager will sound the alarm as soon as a concern has been raised and as appropriate to each situation.

Office staff will make sure the front entrance door is locked and the admin email is open.

The Headteacher will ensure other external doors are locked (Rec/Year 1 and Year 3/4 classroom block)

The School Business Manager will inform the catering staff of the nature of the emergency. The catering staff are to remain in the kitchen and make sure all outside doors are locked.

The signal of the air horn will activate a process of children being ushered in to the school building if on the playground or in the outdoor EYFS area as quickly as possible (walking, not running).

Members of staff on duty will do a sweep of the outdoor areas before coming into school and securing the outside doors.

4.4. Staff members will keep in contact using email/ classroom phone (portacabin) in order to inform each other of any problems experienced while carrying out the procedure, e.g. missing pupils.

4.5. Throughout the procedure, the headteacher, or another designated member of staff, will continuously keep other staff members updated, where possible, using open email.

4.6. During an invacuation, pupils, staff members and visitors outside the school building will move quickly (not running) and quietly through the nearest entrance to the building.

4.7. If staff are in buildings adjacent to where pupils or other staff members are outside, they will signal to the class to come inside immediately.

4.8. When all personnel are inside, main entrances, external doors, and windows are to be securely locked.

4.09. All staff members should be aware that the only identified designated 'safe rooms' throughout the school building are classrooms and the staffroom.

4.10. Each class is guided towards their designated 'safe room' by their classroom teacher or staff member, ensuring that all pupils, staff members and visitors are accounted for.

4.11. When the invacuation procedure occurs during lunchtime or break time, all staff members will guide pupils towards the nearest designated 'safe room.'

4.12. Staff members will instruct pupils to stay away from windows and doors.

4.13. Where necessary, pupils will be informed to sit on the floor.

4.14. Pupils and staff members are to remain in their designated rooms/positions until told to do so by the emergency services, or the headteacher has given an announcement to declare the risk has gone.

4.15. When the invacuation procedure has finished, pupils will return to their own classroom (if necessary) where a register will be taken.

4.16. Throughout the invacuation procedure, the school office will keep in contact with the emergency services, ensuring the procedure is being implemented correctly.

4.17. Following an occurrence necessitating the invacuation procedure, the following actions will be taken:

- A follow up talk with staff members and pupils will be delivered by the headteacher
- Support will be sought where necessary, such as counsellors
- Parents/carers and other stakeholders will be informed via letter
- The response to the crisis will be evaluated and procedures amended where necessary

### **Staff Roles**

- The School Business Manager will ensure that the front entrance door is locked and police called if necessary.
- The Headteacher will shut and lock the outside and shut the inside office door.
- The Catering staff will lock the kitchen door and remain in the kitchen.
- Individual teachers/ TAs will lock or close the classroom doors and windows.
- Staff on PPA will stay in staffroom
- All other staff/ children will head to the nearest classroom.

## **5. Lockdown procedure**

5.2. The headteacher will ensure that all staff members understand when and how this procedure will be implemented.

5.3. Depending on the circumstances, either a partial lockdown or full lockdown procedure will be implemented.

5.4. The headteacher will take all factors into consideration when deciding whether to partially or fully lockdown the school. Where possible, advice will be sought from the emergency services.

5.5. The partial lockdown procedure is a precautionary measure but puts the school in a state of readiness should the situation escalate. It will be used in the event of, but not limited to, the following:

- A local risk of air pollution

- A civil disturbance in the local community with a potential to pose a risk to the school

**The school will only ever practise a partial lockdown. This will take place termly.**

5.6. The full lockdown procedure will be used in the event of, but not limited to, the following:

- An intruder on the school site
- A major fire in the vicinity of the school
- The close proximity of a dangerous dog, or other animal, roaming loose

5.7. The signal given for staff members to implement the lockdown procedure will be continuous sounding of the air horn.

5.8. Mobile phones will be used to make staff members aware of the incident that has occurred if staff are not on site.

5.9. Lines of communication between staff members will be kept open through the use of mobile phones; however, unnecessary calls to the school office will not be made as this could delay important communication.

5.10. As soon as the alarm has been raised, the school office staff will ensure that the relevant emergency services are informed and kept up-to-date with the situation.

5.11. In the event of the implantation of the lockdown procedure, pupils will be instructed to remain in their classroom, or will be guided to the nearest 'safe room'.

5.12. Staff members will ensure that the toilets, hall and playgrounds are cleared of all pupils, staff members and visitors.

5.13. Pupils, who are outside the school or not in classrooms, will be led inside as quickly as possible, unless this will endanger them and others.

5.14. If staff members and pupils remain outside during the implementation of a full lockdown, they will find a safe place to hide away from danger.

5.15. Classroom teachers are responsible for the pupils within their classroom.

5.16. When all personnel and pupils are inside, doors and windows are to be securely locked, including fire doors and external doors.

5.17. Classroom teachers or senior leaders will conduct a register or headcount. Staff will notify the school office immediately of any pupils not accounted for via email, and an immediate search will be instigated, where appropriate.

5.18. Once all personnel and pupils are inside, the senior leadership team (SLT) will conduct an on-going and dynamic risk assessment based on advice from the emergency services.

5.19. All pupils, staff members and visitors will be made aware of their nearest exit point in case a hostile intruder manages to gain access. All exit points will be the same exit routes as our fire evacuation procedure.

5.20. Pupils may be asked to hide or disperse if this will improve their safety.

5.21. Pupils are instructed to take cover under their tables where possible.

5.22. In the event of a partial lockdown, movement may be permitted within the building, dependent upon the circumstances, but this will be supervised by a senior member of staff.

5.23. In the event of a full lockdown, once all pupils have been accounted for, the following actions will be carried out by staff members in order to increase protection:

- Blocking off access points by moving furniture to obstruct doorways etc.
- Drawing curtains and blinds
- Turning off all lights and electrical monitors
- Instructing all pupils to either sit on the floor, under a table or against a wall
- Ensuring all people are kept out of sight and away from windows or doors

5.25. All personnel will remain inside until an 'all clear' signal has been given, via email, or unless told to evacuate by the emergency services.

5.26. If someone is taken hostage on the premises, the school will seek to evacuate the rest of the site.

5.27. Parents/carers will be notified as soon as it is practicable to do so via Parentmail.

5.28. Pupils will not be released to parents/carers during a lockdown.

5.29. If it is necessary to evacuate the building, a continuous ring of the fire alarm will be sounded.

5.30. In order to ensure the effective implementation of the lockdown procedure, SLT discussions will take place at least once a year and policy will be reviewed.

## **6. Evacuation procedure**

6.1 Shottery St Andrew's CofE Primary School will carry out evacuation drills at least once a term in order to ensure pupils and staff members fully understand what is involved in the procedure and that it is implemented effectively.

## **7. Personal Emergency Evacuation Plan (PEEP)**

7.1. Where a member of staff, pupil or visitor has a disability which may result in them needing help in evacuating the premises, a PEEP will be put in place.

7.2. The purpose of a PEEP is to enable the school to implement effective arrangements to ensure that everyone can evacuate the building in an emergency, should one arise.

7.3. These plans ensure that no one is discriminated against, or treated less favourably, in the event of an emergency.

7.4. A PEEP will identify the following:

- Any specific needs of the individual
- Responsibilities of staff members
- Specific evacuation routes, where applicable
- Refuge areas

7.5. Where possible, pupils with PEEPs in place will exit the premises using the same route as the rest of their class, unless otherwise stated within their plan.

7.6 A PEEP will be reviewed on an annual basis in order to ensure that the most up-to-date information is available.

7.7. When there is a change in the individual's health, a change of procedure, or an alteration made to the premises, a PEEP will be reviewed and amended to reflect these changes.

7.8. The individual, for whom the plan is for, will be consulted at each review, alongside any specified staff members.
